

Wood preparation

Instructor: Tim Ficken

Prerequisite: None

Schedule: 3 hours – See training [calendar](#) for scheduled dates

Location: Meet near the club library for the start of class

Student Supplied Material: None

Enrollment: Minimum 2 persons / Maximum 3 persons

Description: Straight and square wood is fundamental to all woodworking projects. In this class you'll use a jointer, planer and table saw you will take a rough piece of wood and make it flat, straight, and square for use in your wood project. You will also resaw boards to make thinner wood to use for small projects.

Fee: \$15
