

How to make a pen

Instructors: Peter D'Attomo

Prerequisite: Students will be expected to have some proficiency in basic lathe turning.

Students will be expected to have taken lathe 1 or consent of instructor.

Enrollment: Limited to four per class.

Material: All material needed will be provided.

Description: This three-hour class that will walk students through the making of a pen. Start with a piece of wood and end up writing with it. Peter is an experienced pen maker and will give individual attention to make sure the student comes away with a working pen.

Fee: \$15 per student.
