Max introduced the new board members.

Max shared his goals for the next year and asked for club support, by a show of hands, on several items

- 1.) Create a space for the instructors lockers.
- 2.) Collect fees for those breaking bandsaw blades in the same manner as we collect for the saw stops.
- 3.) The board voted to drop the door prizes and that was presented to the members present.

For those three items Max asked how many were in general agreement and they were all well supported.

Max gave a presentation on bandsaw use.

Myrna gave a presentation on the new library and the resource that are available there.

Next meeting is set for 5-2-23.

Motion to adjourn was made by Ed Sproull 4038

Seconded by Myrna Barnard 5387
