## **Treasurer, Merrikay Vidal:**

Four months of income and expenses were presented, along with the summary of the money on hand. Couple of questions were answered that cleared concerns from the membership.

## **Vice President, Roger Hunzeker:**

It has been a good summer. The tool crib being renovated was started and will be complete in a month or two.

## **Education Committee, Jim Casey:**

The classes for the fall are online, except for the Basic Band Saw, as a teacher is still needed for the class. The CNC classes will be added soon. Also, Jim is looking for someone to be a backup person for classes.

## **View from the Lumber Room, Stan Mifflin:**

New crosscut sleds are being made for use on the table saws. They are a little different than what was used before. If a demonstration is needed, Stan will help.

### **Safety Committee, Bob Simmons:**

MSDS books have been made and shown to the Rec Center to demonstrate that the club is ahead of the requirement that will be in affect next year. Bob reposted that there were two incendents of the air quality droppin into the poor range when a member used pressurized super glue excelerant in the club.

### **Social Committee, Roger & Mike:**

The dates of the fall picnic and Christmas party were announced. October 23<sup>rd</sup> for the picnic and December 11<sup>th</sup> for the Christmas party. Also, the next tool auction was announced and will be held on November 6<sup>th</sup>. The tool auction will be conducted slightly different this year in that small items will be bundled together and sold as a bundle. Larger items will be auctioned off as usual.

### **Maintenance Committee, Gary Roberts:**

Gary wanted to remind everyone to make sure that all epoxy items have hardened rock solid state before using the planer and sanders.

### **President, Ron Wilson**

A reminder was given to all members to clean up after themselves. Extended a welcome to all new members from the September orientation.

### **Old Business:**

The tool crib is in the final stages of renovation. The last step will have everything repainted. The CNC computer update was completed. The dust collection system was brought up to working standards by the Rec Center.

### **New Business:**

No new business was brought forward.
